KEYNOTE SPEAKER

BEN KJAR

Ben Kjar was born with Crouzon Syndrome, a rare craniofacial condition, and was told early on his life would be different. He chose to rise above every challenge, becoming Utah Valley University's first NCAA Division I Wrestling All-American and later representing Team USA at age 40, where he became a Greco-Roman World Champion and Freestyle silver medalist—reflecting the same resilience and determination we celebrate in individuals with intellectual and developmental disabilities in our community.

Today, Ben is an international speaker and thought leader who inspires audiences to set bold goals and achieve what once seemed impossible. His story is featured in the award-winning film *Standout: The Ben Kjar Story*. Through his powerful “Call Your Shot” message, Ben reminds us—just like The Arc Pikes Peak Region—that every person has unique strengths, and with the right support, opportunity, and belief, extraordinary outcomes are possible.
